**MEMORANDUM OPINION AND ORDER**

On October 12, 2023, the Magistrate Judge entered a report in which he recommended the dismissal of this action without prejudice under 28 U.S.C. § 1915A(b) because Mr. Hudson has not stated a claim for which the Court may provide relief. (Doc. 34). The Magistrate Judge also recommended that the Court deny Mr. Hudson's motion for preliminary injunction. (Doc. 34). Although the Magistrate Judge advised Mr. Hudson of his right to file written objections within 14 days, the Court has not received objections.

The Court has reviewed the materials in the electronic docket for this case. The Court recognizes that Mr. Hudson was involved in a traumatic incident at Bibb Correctional Facility, but the Magistrate Judge correctly explained why Mr. Hudson

has not asserted a claim for which relief is available under the law.<sup>1</sup> Therefore, the Court adopts the Magistrate Judge's report and accepts his recommendation. By separate order, pursuant to 28 U.S.C. § 1915A(b), the Court will dismiss Mr. Hudson's claims without prejudice. The Court denies Mr. Hudson's request for a preliminary injunction.

**DONE** and **ORDERED** this November 9, 2023.
